

ROADSHOW IN SPAIN (FORTO TRANSFIERE)

February 15th to 17th, 2023

Malaga - Granada, Spain

In-person

Apply by 23rd January

MISSION TO MALAGA – GRANADA AT A GLANCE

Are you interesting in new innovations, markets, and potential collaborations? Is Spain and the South Europe one of your target markets? Would you like to discover an integrated and already running networking of potential partners as well as financing opportunities?

AURORA Roadshow in Spain will take place between 15-17 February 2023 and is part of a short-term cross-border mobility scheme (ClusterXchange) organized within EU project AURORA.

Support with logistics will be provided by the clusters. Funding available based on eligibility criteria.

ABOUT THE PROGRAMME

Transfiere, a European Meeting on Science, Technology and Innovation. It is the main R&D&I meeting in Southern Europe to share scientific and technological knowledge, promote innovation and connect science and business.

Showcase your innovation product or service, check the local ones and grow visibility in the South of Europe. Several opportunities for networking and matchmaking over the 3-day programme. Meet potential commercial and R&I partners (EU workshops).

SECTORS

- Traceability & logistics as quality issue for food products
- Deep tech & digital solutions for food sector
- Packaging solutions

ACTIVITIES

- One-on-one meetings
- Pitching & matchmaking session
